

School in the Hills Covid-19 Guidelines

<p>If you were EXPOSED to someone with COVID-19 and are symptom free</p>	<p>UNVACCINATED /PARTIALLY VACCINATED</p>	<p>FULLY VACCINATED</p>
	<p>Quarantine for 5 days followed by strict mask use for additional 5 days.</p> <p>Can return to school with a negative PCR test on or after the 5th day of exposure. If no test, quarantine for 10 days. Can return to school symptom free thereafter.</p>	<p>Quarantine is not needed following exposure.</p> <p>Need to adhere to strict masking for 10 days.</p> <p>Stay home and get tested if you start to experience symptoms.</p>
<p>If you TEST POSITIVE or have SYMPTOMS following confirmed exposure regardless of vaccination status</p>	<ul style="list-style-type: none"> • Stay home for 5 days. • You may return to school with a negative antigen test taken on the 5th day as long as you have been symptom free for 3 consecutive days leading up to the test. • Continue to wear a mask around others for 5 additional days. <p><i>If you have a fever, continue to stay home until your fever resolves without the use of medication. If you still have symptoms, you must wait until symptom free before taking an antigen test.</i></p>	
	<p>Unvaccinated: has not received vaccine</p> <p>Partially vaccinated: more than 6 months from second dose (more than 2 months after J&J vaccine) or not yet boosted</p> <p>Fully vaccinated adults: have received 2 full doses plus booster dose if eligible, and anyone who has had a positive COVID case confirmed with a viral test in the last 90 days.</p> <p>Fully vaccinated children: have received 2 pediatric dose if eligible, and anyone who has had a positive COVID case confirmed with a viral test in the last 90 days.</p> <p style="text-align: right;">as of 1.11.22</p>
